NEW

This innovative new product to our family is hand created by the small team at Hesper Farm Skipton – Skyr yoghurt is a 0% fat Icelandic style strained yoghurt which offers versatility like nothing else. Great for the breakfast offering but start thinking about the so many uses that this calcium-rich product can bring. You won't look back - Skyr ice anyone?

Make sure you give it a try Original Skyr packed in handy 1kg buckets! (Flavoured Options Coming Soon).

Why not try the amazing new range from Ann Forshaw.

This esteemed yoghurt producer has been handcrafting yoghurt for centuries holding the secret recipe to the amazing Vanilla flavoured yoghurt - Which if you have tried before you will definitely remember.
